### PRESENTATION:

Presentation Title: *Statewide Aviation*

Presented By: *by Jessica Della Croce*

Jessica gave a well informed presentation on the statewide aviation policies and procedures in Alaska. She covered many facts and planning processes. Some of these included the, STIP, APEB, database inventory, system forecast, goals, objectives, performance measures, and classifications. She went on to discuss the economic impact on aviation and the bypass mail service that is provided throughout the state. Last, she discussed what we can expect in terms of reduced funding, programs, and standards.
